## FAROLILLO

Since ancient times, Asian paper lanterns have illuminated the doors of Japanese taverns. Chochin is its original name and all the lanterns contain a word written as a commercial sign. In this case our Chochin advertises the sale of alcoholic beverages.

**Maldaz  
collection**

Our inspiration falls on Asian culture. Our protective FU DOG talisman is the door to our dream.

The design of our delicate t-shirts is not a coincidence, it is the result of the search for an elaborate product, a photographic vision without limits, which is transferred to each design seeking originality.

We like to be different and be present in special places.

Limited edition of 100 units.

Dani

COLLECTION

# DARUMA

LIMITED EDITION  
**100**  
UNITS

Large eyes without pupils, thick eyebrows and a mustache, this oval amulet that, no matter how much you push it, never falls, represents the firmness you must have to achieve your goal. Tradition says that you should paint the pupil of the left eye when you buy it and while you think about a goal to fulfill. Only when you achieve it do you paint the pupil of the right eye as a sign of gratitude.

# TALISMAN

LIMITED EDITION  
**100**  
UNITS

Our protective FU DOG talisman is the door to our dream, traditionally known as the “Lions of Fu” in Buddhist culture. For millions of years they have courted the doors of sacred places in much of Asia, a symbol of protection, as conveyed by the female lioness carved in stone with her cub under her paw.

## FU DOG AQUAMARINA

LIMITED EDITION  
**100**  
UNITS

Fu Dogs are usually represented in stone carvings, but in this case, we wanted to sculpt it into an aged bronze figure reminiscent of the ancient statues located in large European cities. This original finish shows the passage of time on the sculpture, giving it a singular beauty.

# SUMI

LIMITED EDITION  
**100**  
UNITS

Sumi art is a type of drawing technique, originating from the Tang Dynasty in China. It was taken by Buddhist monks to Japan, who gave it its current name, Sumi-e, which translates as ink – paint. This style of painting does not seek realism, but rather simplicity through its brushstrokes.
